Dear Resident,

**RE: SHOTOVER PRIMARY SCHOOL**

This letter from ABL, as the Main Contractor for the construction of the new Shotover Primary School, is to provide neighbouring residents with a monthly update on construction progress.

To date progress on site has included the completion of in-ground services, ringbeam foundations and pad footings for Buildings A (Admin and Learning) and Building B. The structural floor slab has been poured for Building A (Admin) and the installation of structural steel has commenced. Basecourse material for Building A (Learning) has been compacted and pouring of the structural floor slab is scheduled for the first week of August.

Completion of the concrete floor slabs and installation of structural steel frames for Building A (Learning) and Building B are scheduled activities for August.

Below is a Masterplan showing the building layout and indicative landscaping:

Should you have any concerns, please feel free to contact the Project Manager: Luke Clark (Frequency Projects) on mob: 029 200 8904.

Yours faithfully,

Karsten Pedersen
